

30 Day Spring Cleaning Challenge

1 Tackle all those Cobwebs	2 Clean your front door, garage and sweep any leaves.	3 Take down curtains and wash them or take to the dry cleaners.	4 Clean your vacuum cleaner	5 Have a sort through under bed storage and vacuum	6 Wash/polish all internal doors	7 Clean out the First aid cupboard, stock check and replenish
8 Switch winter scented candles and diffusers to spring smelling ones	9 Replace tooth brushes and recycle the old ones	10 Open the windows and focus on cleaning the window tracks	11 Clean appliances thoroughly including sides and plugs	12 Deep clean your fridge	13 Bed throws and bath mats in the wash	14 Wash hats, gloves and scarfs and store away until next winter
15 Winter coats wash and put away or take to the dry cleaners.	16 Wash out your dustbins and recycling bins	17 Remove dead leaves from plants, clean plant pots	18 – Deep oven clean, hire a professional if needed.	19 Wash your ironing board cover	20 Wash gardening gloves and outdoor shoes	21 Sort through and organise plastic shopping bags
22 Sort through cosmetics and wash make up/hair brushes	23 Wash all windows seals and touch up any chipped paint	24 Clean all your drains in the house using my trick of bicarbonate of soda and white wine vinegar	25 Wash dressing gowns and slippers	26 Sort through drawers and chuck away anything not needed	27 Take those coins you have been saving up in the penny jar to a coin machine or bank	28 Replace kitchen cloths, sponges, washing up gloves and recycle the old ones
29 Sort through shoes, winter boots store away and out come the summer shoes	30 Switch your clothes from winter to spring and use vax pack bags for storage
